Spend vs Revenue

Key Insight: NovaEdge Awareness Is the Weakest-Performing Campaign

Finding

Uses 12.3% of campaign spend (\$1.52M) but generates only 3.0% of attributed revenue (\$34K), with the lowest conversion (5.1%) and response rate (6.2%).

Implication

Marketing spend is disproportionately allocated to a campaign delivering substantially weaker returns than the portfolio average.

Actionable Recommendation

Pause or reduce NovaEdge Awareness and model reallocating budget toward higher-performing campaigns.

Owner & Timing

- Marketing analysts to model options.
- Sarah Chen to approve.
- ~1 week, with changes applied in the next campaign cycle.
